<ul style="list-style-type: none"> Unable to use specific senses to connect with the learning. Difficulty making connections. Difficulty following the text when reading / being read to. Visual Impairment. 	<ul style="list-style-type: none"> Multisensory strategies used, e.g., using fingers to tap out sounds; gestures to support with phonics; drawing words in the air, sand or shaving cream. Use of a ruler to track the text. Highlighters to highlight key words / phrases / facts within a text. Large print texts. Use of audio books. 	<ul style="list-style-type: none"> Lower reading ZPD – low self-esteem and books not of interest or age appropriate. Significant difficulty in acquiring basic literacy skills – feeling and fear of failure. Lack of enjoyment of reading and reduced motivation. Reading stress due to lack of accuracy, low reading rate and comprehension. 	<ul style="list-style-type: none"> Use of paired reading enables reading at a higher interest level. Use of high interest reading books. Small reading groups – work at the right level with appropriate challenge for the individuals. A range of different text used to match the interests of the class. Opportunities for pupils to support each other (collaborative learning). Use of audio books and teacher reading to promote reading for pleasure and allow all children to access a challenging text for their year group.

- Use of coloured overlays to relax the eyes during reading, making the print clear.
