

What other agencies can school use to support my child?

For some children school support may not be enough and with your agreement, school will make the decision to increase the level of support provided. This external support might be from:

- *Educational Psychologist
- *Speech and Language Therapist
- *Occupational Therapist/Physiotherapist
- *Barnsley Educational Specialist Support Team (Communication & Interaction Team)
- *Play Therapist
- *School Nurse
- *Behaviour Support Service

This graduated support often means that your child makes expected levels of progress. We will then discuss with you whether to continue to monitor your child's progress or whether to decide they no longer need additional support at this time.
