

5 June 2017

Dear Parents and Carers

As we return from the half term break, I wanted to welcome you all to United Learning. I am delighted that Hunningley Primary School has joined our Group.

United Learning is a group of schools, which aims to provide excellent education to children and young people across the country. We make it our mission to bring out the best in everyone – pupils, staff, parents and the wider community.

Hunningley Primary School is a very welcome addition to United Learning and we look forward to working with pupils, staff and parents. As a part of our Group, the school will be able to share best practice with our schools across the country and staff will benefit from the Group's wide range of high-quality professional development opportunities. In particular, we are looking forward to building a close relationship between Hunningley and our Barnsley and High Hazels Academies as well as with Worsbrough Bank End Primary School, which also joins our Group today.

We have a flourishing and growing group of primary schools – both academies and independent schools – and we look forward to sharing our expertise with you as well as benefiting from the experience and expertise that Nic Thorpe and her colleagues will undoubtedly bring to our Group.

There is some excellent work underway at Hunningley Primary School and we look forward to supporting you as the school continues to go from strength to strength.

May I wish you all a very happy and successful remainder of the term.

Yours sincerely

Jon Coles  
Chief Executive
