

Teacher Allocation: September 2021/2022

Your child's new class teacher will be: **Miss Pearce**

Hello 1PE!

I'm delighted to share with you that I am going to be your new class teacher when we return back to school in September. I will be new to Hunningley in September and I cannot wait to start my journey in Year 1 with you all. I am really looking forward to getting to know you and your guardians and I hope that we can have a fun filled and productive year together. I hope that you will enjoy the new challenges and approaches to teaching and learning that Year 1 has to offer and I can't wait to see you all grow and blossom as individuals over the coming year.

I have worked within a school for the last five years and I have worked across Nursery, Reception, Year 1 and Year 2. In this letter, I am going to introduce you to the staff that you will be working with next year and I am going to be sharing with you some of the ways Year 1 will feel different to Reception in September and my expectations of you moving forwards. I will be working alongside a fantastic key stage 1 team to ensure that you all receive an enriched curriculum and that you all meet your full potential.

What does it mean to be Year 1?

I know that moving from Reception to Year 1 can feel quite daunting and overwhelming, but we are all going to do everything that we can to make this transition as smooth as possible. The one main difference that you will notice is that we will have our own separate classroom from the other class in Reception but don't worry because you will still get to see your friends at playtimes and lunchtimes. Even though there are going to be a few changes, I know that you will all try your hardest to settle into our new routines. In Year 1, you are going to have more responsibilities. You are a whole year older so this means that we can trust you with important roles and tasks. It is going to be your first time on the KS1 corridor and it is up to you to become good role models for our school. So how do you do this?

1. Be smart
2. Follow the school rules
3. Be respectful
4. Be kind
5. Be sensible

If you follow these simple ingredients, you will all make amazing role models for our team and our school.

It is so important in Year 1 that you aim to be the best version of yourself. Always work hard and try your best and remember that it is okay to make mistakes as long as we learn from them. Try to do the right thing even when no one is looking and you will shine in Year 1. I can not wait to see how much progress you all make next year and I am excited to get started!

Collection Points

In September, Year 1 will enter and leave school through the door that is located in the carpark. The children will **not** be expected to walk through the car park due to health and safety measures. All children will enter through to gate located at the side of their new entrance door and walk back on the path. Mrs Powell and I will dismiss both Year 1 classes through this door at 3:15pm. Please be patient with us until we get to know your children and family. We will work hard to get the children out of school as quickly as possible. Start times will remain the same as this year as the doors will be open from 8:30-9:00am.

September 2021:

As we are still planning and preparing for September, key information will be shared with you towards the start of the new school year detailing information such as PE Days etc.

I hope that you are all excited and ready to start your new learning in Year 1. I know that we are going to have a great year together and I cannot wait to start working with you all.

Kind Regards,

Miss Pearce
