Your child's new class teacher will be: **Mr Guest**

Hello Class 1T!

I am really happy to share with you that I am going to be your new class teacher when we return to Hunningley Primary Academy in September. I have worked at Hunningley for the last two years and I have thoroughly enjoyed getting to know lots of different children across the school and their families.

I have worked in Year 3 over the last two years, but I am incredibly excited to move and join the Key Stage 1 Team. I know that I am really going to enjoy teaching the Year 2 curriculum as I am aware of how your learning journey will follow on into Key Stage 2. Before we get to the end of Year 2, I feel that it is my duty to make sure that we provide you with a quality provision and education. I am going to work incredibly hard to get this right for you all and I am so excited to get started.

My other roles at Hunningley include being the leader of Physical Education. This involves ensuring that you have access to a wide range of sports and activities whilst you are in school and it is my job to train and lead all staff in this subject. Nevertheless, my main priority next is being your class teacher. Here at Hunningley we want everyone to meet their full potential and I am going to ensure that I deliver an enriched curriculum throughout the year. Before we are together in Class 2G, I'd like you to read through our rules, routines and expectations for next year – I can't wait for us to get started!

Mr Guest –Year 2 Teacher
Physical Education Lead

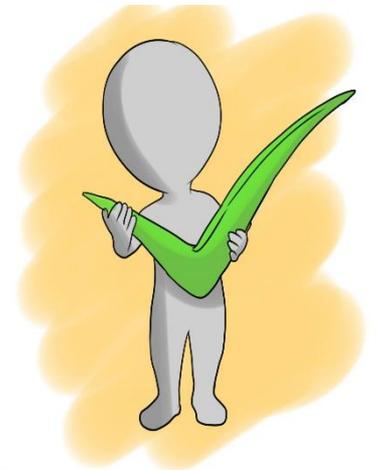

What does it mean to be Year 2?

Year 2 is a very important year group for many reasons. You are now the oldest children working on the Key Stage 1 Corridor which means that our expectations are higher as you are now the role models to our younger children and you are also preparing and working towards transitioning into becoming members of Key Stage 2 by the end of the year. Here are the ingredients for becoming a successful Year 2 pupil!

1. Become a Role Model

Being the oldest children on the Key Stage 1 corridor comes with a huge responsibility as it is now your job to show our younger children how to behave in and around school.

Our new Year 1 children will look to you as an example of how to behave correctly as they have never worked on our corridor before. Always make sure that you aim high and show them the best version of yourself as I know that you all know our behaviour expectations. Your behaviour has been fantastic this year and I can't wait to see you all become excellent role models in September!

2. Always be Kind

Kindness is so important in Year 2. To become a good role model, you must always choose to be kind to all children in school. Kindness makes other people happy and it is one of my most important expectations for you all when you join my class in September.

“ Kindness is
a gift everyone can
afford to give.”

3. Time Management

Being organised and managing your time well in Year 2 is key to becoming a successful learner. You are now becoming old enough to make sure that you are prepared for school and that you have all of your equipment with you such as your homework pack, reading book, coat and any other equipment that will support you throughout the school day without an adult always having to remember these things for you. It is also important to make sure that our weekly homework tasks are always completed and that you are prepared and ready for our weekly spelling test on a Friday.

4. The Best in Everyone

It is so important throughout your time in Year 2 that you always aim to be the best version of yourself. Always work hard and try your best and know that you will always be supported with any task that you may find challenging. The only person that you need to remain in competition with throughout the year is yourself and I would like you to strive and work hard to beat your personal best and continuously keep trying your hardest to improve upon the test scores that you achieve. I can't wait to see all the progress that you make. I'm really excited to get started!

Behaviour Expectations

WHAT
DO
YOU
EXPECT

Here at Hunningley our behaviour expectations are as follows:

- **Always** be in the right place at the right time.
- **Always** handle your emotions appropriately.
- **Always** behave in a safe way.
- **Always** do your best.
- **Always** show respect to yourself and anyone that you come into contact with throughout school.
- **Always** co-operate with others.
- **Always** communicate in a friendly way.
- **Always** be happy

Our Teaching Assistants

Next year, Mrs Jane and Miss Cooling will be our teaching assistants in the classroom. Mrs Jane and Miss Cooling have worked at Hunningley for many years and are here to guide you and support you in all aspects of your learning. They, like myself, are so excited to get to know you all and welcome you all into our classroom. We have such a fantastic team with us next year, we all cannot wait to get started!

Mrs Jane – Year 2 Assistant

Miss Cooling – Year 2 Assistant

Mrs Britten is also the Key Stage 1 Cover Supervisor and she is responsible for covering all of our Key Stage 1 classes when the teachers are out on their planning time or completing important jobs. Mrs Britten will cover our class during the week and she will teach lots of exciting subjects such as Music, RE and Grammar, Punctuation and Spelling! She is really looking forward to getting to know you all in September.

Our Year 2 Team

The rest of the Year 2 Team can be found below. We are in for a really exciting year!

Supervisor

Collection Points

In September, Year 2 will enter and leave school through the current Key Stage 2 door that is located at the top of the playground. Both Year 2 classes will enter through this door between 8:30-9:00am in the morning and then Mr Parker and I will dismiss both classes at 3:15pm. Please be patient with us in September while we get to know your children and family. Dismissing will become a lot quicker for us once we have gotten to know everyone, but we will try our best to get your children out of school as fast as we can. Please queue at the bottom of the steps and we will send all children out ready for collection.
