Dear Families,

Welcome to Year 3. The 3H team are so excited to welcome children back to our Hunningley family. Even though some changes have occurred in school over recent months, we are fully committed to ensuring that your children have the high-quality education and experiences they are used to receiving at Hunningley.

I would like to take this opportunity to introduce myself as Miss Hemingway. I was lucky enough to train as a teacher at Hunningley Primary School and I have worked at this fantastic school for two years now. I am currently based in Year 4 but as I love working in LKS2, I am excited to begin my next chapter as your Year 3 teacher. This year I will be leading Modern Foreign Languages (Spanish) alongside being your class teacher. As I have heard from Mr Parker that you are an amazing class who work hard and are always well behaved, I am looking forward to meeting you all very soon and I am eager to welcome you into our team. Our classroom will be the same that I am currently based in with my Year 4's on the LKS2 corridor. Mrs O'Dowd is currently working in class 3G as a Teaching Assistant and we are fortunate enough to have her join our team! We are both looking forward to working with you in September.

*Miss Hemingway*

*Mrs O'Dowd*

### The Curriculum

In September, Year 3 will be learning about the key geographical features around the United Kingdom. We will be designing, making and evaluating a free-standing structure in Design and Technology, making something special to bring home. In Maths, we will start the year by revisiting and extending our knowledge of place value. Our Science will have a Chemistry focus, where we will compare different types of rocks and find out how fossils are formed. PE will be about increasing fitness rates through carrying out fitness challenges and developing ball skills. Music will focus on learning how to play the glockenspiel.

I look forward to seeing you all in September. I hope you have a fun filled, exciting summer and come back refreshed and ready to learn with me.

With my very best wishes, Miss Hemingway
