

Curriculum Newsletter: Year 5
Our learning for the next half term...

Reading

In reading we will be developing our retrieval, vocabulary, and inference skills through a variety of recount and narrative texts.

Writing

In writing we are going to be learning how to write recounts. We will be using the story of Shackleton's Journey to write diary entries recalling the adventures of the Endurance. Following this, we will be constructing short narratives inspired by Varjak Paw.

Maths

In Maths, we will be developing our understanding of Multiplication and Fractions.

Science

Life Cycles is our next unit in Science. We are going to use our scientific skills to investigate reproduction in oviparous and viviparous animals.

History

In History, we will be continuing to build our knowledge of the Roman Empire. We will be exploring the differences between Romans and Britons and evaluating how the Romans were able to keep control of Britannia.

Art

Journeys will be our focus in Art where we will be creating our own Postcards using the medias of printing and collage.

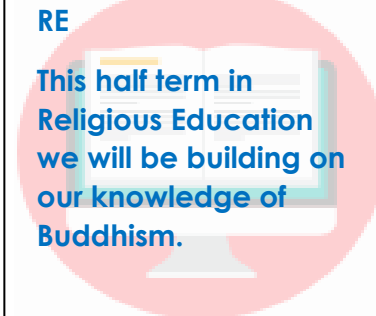

Music

In Music we will be exploring African music.

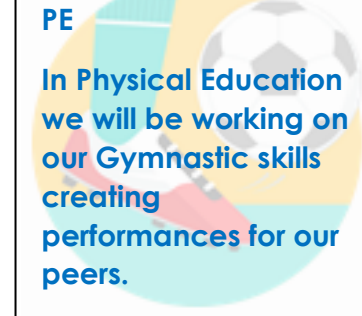

RE

This half term in Religious Education we will be building on our knowledge of Buddhism.

PE

In Physical Education we will be working on our Gymnastic skills creating performances for our peers.

PSHE

In PSHE we will be finding out more about health and wellbeing with a focus on first aid.
