

Hunningley Primary Academy

The best in everyone™

Part of United Learning

The Primary PE and Sport Premium is a government initiative designed to help primary schools improve the quality of their physical education, physical activity, and sport provision. The funding is provided to ensure sustainable improvements that will benefit all pupils, particularly those who may not otherwise engage in regular physical activity.

At Hunningley, we are committed to using this funding effectively to enhance our PE curriculum, increase opportunities for all pupils to participate in physical activity, and develop staff expertise in delivering high-quality PE lessons. This document outlines how the Sports Premium funding has been allocated during the academic year 2024/2025 and the impact it has had on our pupils, staff, and wider school community.

Hunningley Primary Academy

The best in everyone™

Part of United Learning

At Hunningley, we are committed to providing high-quality physical education and a broad range of physical activity opportunities for all pupils. This year, we received £19,300 in Sports Premium funding, all of which has been fully allocated to initiatives that directly enhance our PE provision, extra-curricular opportunities, and staff development. In fact, our total expenditure amounts to £19,459, demonstrating our decision to supplement the Sports Premium with additional school funding to further enrich our PE and sports curriculum. This investment reflects our dedication to promoting physical health, teamwork, well-being, and lifelong participation in sport and physical activity across the whole school community.
