Site Safety

Dear Parents and Carers,

We hope you are all well, and we want to thank you for your continued support in keeping our school a safe and welcoming place for every child.

Over recent weeks, we have become increasingly concerned about the number of unauthorised vehicles entering the school site. This has created situations that are unsafe for our pupils, particularly at busy drop-off and collection times. To ensure the safety of everyone, we must now make some important changes.

From this point forward, **only disabled blue badge holders will be permitted to bring vehicles onto the school premises.** All existing gate passes will be revoked unless there are exceptional circumstances that require access. If you feel you have a significant need for a gate pass, please contact the school office so this can be discussed.

If you do park on the school site with permission, please be aware that **the gates will remain closed until 3:30pm.** For safety reasons, vehicles will not be able to leave before this time, as doing so poses a risk to children exiting the site. Later this week, staff will now be stationed on gate duty to manage traffic, so it is vital that these expectations are followed.

We have also noticed a number of adults and children walking through the staff car park instead of using the designated footpath. Please help us reinforce that children should not walk through the car park at any time. The pathway is there to keep everyone safe, and we kindly ask that all families use it.

We truly appreciate your understanding and cooperation. Our priority is, and always will be, the safety and wellbeing of our children. Working together, we can ensure that our school site remains secure for all.

Thank you for your support.

Warm regards,
Hunningley Primary Academy
